### **Trademark license agreement between Peugeot Invest and Etablissements Peugeot Frères**

Following the change in the corporate name of Peugeot Invest (the "Company") approved at the Shareholders' General Meeting of 31 March 2021, a trademark license agreement covering the use of the name and logo "Peugeot Invest" between the Company, as licensee, and Etablissements Peugeot Frères ("EPF"), its majority shareholder, as owner of the trademarks, was authorised by a decision of the Company's Board of Directors on 13 December 2021 and entered into on 21 December 2021.

In consideration for the license, the Company pays EPF an annual royalty of 3% of the dividends received by the Company from its shareholdings, excluding its shareholding in Peugeot 1810 (RCS Nanterre 528 818 073). The basis and rate of the royalty were defined on the grounds of the report's conclusions by an independent expert.

The relationship between the Company's last annual profit and the price to the Company under the trademark license agreement is as follows:

- The Company's net profit (group share) for the year ended 31 December 2020, on a consolidated basis, is €134.1 million;
- The trademark royalty payable by the Company to EPF in respect of the year 2021 is estimated to be €1.5 million, or just over 1%.

The signing of this license agreement enables the Company to acquire a right to the name "Peugeot Invest" conferred by EPF, both in France and abroad, and secures the use of this name by the Company in its business with respect to third parties.
